Message from the Manse

So we have celebrated Easter morning and the resurrection of Christ so what now.....

For those who do not "do church" it might appear that church life simply trundles along once Easter has passed, counting the days until our next festival of Harvest.... but they'd be wrong! We don't stop working or looking for opportunities to engage with our fellow human beings.

The URC has recently launched a missional discipleship resource to support churches wanting to look at the ten 'Holy Habits' listed in Andrew Roberts' book of the same name.

Holy Habits, the book, helps us as we seek to follow Jesus, and is about Christian discipleship".

The 10 Holy Habits are:

Biblical teaching, Fellowship, Breaking bread, Prayer, Sharing Resources, Serving, Eating together, Gladness and Generosity, Worship and Making more disciples.

The ten Habits can be approached in any order and will help individuals, small groups and churches consider areas of discipleship; to learn from Jesus' teaching whilst also being challenged, transformed and guided so that we can engage more fully with one another, and with our community, in ways that we hope will build strong and positive relationships.

The resources produced by the URC consist of separate booklets each looking at one Habit. All offer suggestions of how participants can engage through learning, developing and growing in knowledge and practice of each subject.

I will, in the coming months, be working, with the Education and Discipleship Group, to determine:

- * in what order we approach the Holy Habits,
- * what resources we will use and how
- * how we encourage, include and involve the congregation in participation.

As followers of Christ, we must always be ready to consider opportunities to grow as disciples and develop our engagement with the wider community.

More details will follow as they become available, so please watch this space...

PEOPLE NEWS

- On Sunday, 1 April we welcomed into the church family by baptism, Oscar and Sophia Shelton - son and daughter of Jodie Cowley and Tom Shelton.
- It is with regret that we record the death of John Derrick Rich on 18th March and whose funeral was held on 12 April. We send our prayers and sympathy to his family at this sad time.
- Please pray for Brian Stephenson who is in hospital, Catherine Hinchcliffe who is unwell and Marjorie Kemp who is recovering from an operation. Also to anyone who is unwell, awaiting an operation or test results
- We send special birthday wishes to our minister, Ruth, and to Pat Griffith who have special '0' birthdays this month.

A SHORT BREAK ... ?

It all started in November looking to go away for a few days in December.

Found one I liked the look of, so off to Bournemouth for five days including, on the last day, an outing to a Christmas Market, which sounded very nice.

The hotel was nice, not too big, good food and evening entertainment. There was a dance floor and three ladies I had made friends with and myself would get up and do a bit of movement, can't say dancing really but we enjoyed ourselves - until the penultimate evening when at 9 o'clock the Big Break happened and I went down with a big bang - one smashed hip. Two weeks in Poole Hospital, then another two weeks in the Countess of Chester - what a short break!!

What is all this about? It is to say a very big Thank You to all the people who prayed for me, sent cards and came to see me in hospital and at home. Many thanks.

By the time you read this, I hope to be up and running again but I don't think I will be dancing for a while!

Christian Aid Week 2018 - 13-19 May

Christian Aid is the official relief and development agency for 41 British and Irish Churches, and works to support sustainable development, stop poverty, support civil society and provide disaster relief in South America, the Caribbean, Africa and Asia.

We are taking part in the Annual Christian Aid Week street collection again this year. Packs of envelopes for distribution and collection will be available in the church foyer from Sunday 29 April. If you can carry out a collection in a road in Upton please take some envelopes, sign the form to show which road you will be covering and return the filled envelopes to church on Sunday 20 May.

You may not receive a Christian Aid Week envelope at your house, since it is no longer possible to collect from all roads in Upton, but envelopes will be available in church on Sunday 13 May, which you can use if you wish to donate to Christian Aid. They can be returned during the offering at either service on May 20.

Treasurer's Report

The annual accounts for 2017 have been independently examined and were approved by the March Church Meeting. If you have not had a copy and would like to receive one, then please ask. There was a healthy and rather unexpected surplus over the year. The Expenditure was roughly in line with the budget. However, the income substantially exceeded the budget figure. This was largely due to two factors: Both Offerings and Property Income each exceeded the budget estimate by about £3.5k.

The Church Meeting also approved a revised budget for 2018. Both Offerings and Property Income have been set at about £3k below that reached in 2017. The first because of the reduction in the number of members and the second because the level of income for use of the premises is not guaranteed and users who may drop out cannot be immediately replaced. The budgeted level of expenditure reflects that for 2017 with one exception. We have allowed an additional £6 for improvements to the church premises. This leads to an estimated deficit of about £4k which would be met from the surplus in 2017. Keith Reading presented to the Church Meeting an outline of the improvements being considered by the Property Group for 2018. Some feedback was received at the meeting and further consultation and estimates are being undertaken.

In addition to the above we have a designated fund set up to cover the expenditure for 3 years for the Children and Family Worker. We receive a grant of £3k per annum from Synod which is not included in our accounts as Synod pay this

OT. Which is regrettable, because from a familiarity with the idea of a wrathful, judgemental Jehovah it is much easier to appreciate the forgiving, loving God of the New Testament Good News.

An what of the resurrection question - the really big one?

Well, it's all of a part with that other supernatural story of the Nativity and I'm rather inclined to think that the all-loving God may have had a twinkle in the eye at such a neat way of showing the powerful that you can't have the last word if you cross the Divine AND giving the grieving, perplexed disciples a massive boost at the same time! In fact, the boost that would launch a church lasting almost 2,000 years - so far!

MESSY CHURCH

Our next Messy Church is on

Thursday, 10 May

3.30 pm - 5.30 pm

The theme is

'Creatures of the Air and Sea'

REFORMand the big issues!

Last month's 'A Good Question?' - what do you do about the bits of the Bible you don't like? is followed in the Easter issue by 'Do you have to believe in the resurrection to be a Christian? WOW!

The answers are significant for us all as we 'Walk the Way' Beginners on the journey could easily be deterred by such questions. They certainly make the rest of us sit up and take notice! The 'letters' responses to the earlier question offer some clues - they chime with my childhood and youth, when I first revelled in the graphic tales from the Old Testament, then rejected it in favour of the Good News of the New Testament.

Pretty natural responses perhaps, but modified in my twenties and thirties through Alan Dale's excellent 'The Winding Quest', a narrative re-working of the OT for young people (and his 'New World' is doing a similar thing for the NT). This was pure gold for me, since by this time I was working with young adults so not only I, but they too, gained a proper appreciation of what the Bible really offers: a record of the quest of an ancient people for an understanding and relationship with ONE GOD - 'The Winding Quest'.

Once we had a proper understanding of the primitive - often bloodthirsty and sometimes quite salacious - parts of that quest, we were much better able to understand the developments of the Gospel and young churches which followed in 'New World'.

Adult Christians today, sceptics, agnostics and to some extent believers too, seem to play down, ignore or actively reject the

directly. This means that the designated fund is sufficient to cover the expected expenditure over the 3 years. We have also received specific grants for the Holiday Club which are in a Restricted Fund and can only be used for that specific purpose. This has offset some of the expenditure we would otherwise have incurred.

As at the end of March offerings are running at an annual rate of about £3k below budget and Property Income is running at an annual rate of about £2k above budget. We have already received in March the Gift Aid refund relating to 2017 and I am aiming to claim the Gift Aid on Small Donations refund shortly. We hold reserves sufficient to meet the expected deficit this year but I would ask members to review their level of giving if they haven't done this recently. Using the Freewill Offering Envelope Scheme (contact Vivien Ellis or me) or contributing by Bank Transfer (Standing Order forms at the back of the church or see me) help to provide the church with a regular income. Don't forget that if you pay tax then your offerings or donations can be increased by 25% by signing a Gift Aid form (available at the back of the church or from me).

I would like to thank all of you for your generous contributions to the church and also those who have assisted me in running and organising our finances: John Hainsworth (Assistant Treasurer), Carole Mellor (Free Will Offering Steward), Vivien Ellis (Free Will Offering Secretary), and Christine Walsh (Independent Examiner).

fields and along quiet country lanes, and had a lovely lunch spot, at Brown Moss, overlooking the lakes.

Wednesday walks in this period have been to the Countess Country Park and city walls, Shotwick and Gresford, and have been very well supported. Sadly, our very first ever serious injury occurred in March, when Frank Mawdsley's friend Elizabeth had a nasty fall, and dislocated and broke a bone in her shoulder. We all wish her well, and pray for her speedy recovery.

Stewardship Group – Two new projects for 2018

At Church Meeting we decided to look at two more new projects for the church buildings in 2018:

- 1) Redecorating the church hall and toilets
- 2) Making a proper church office so that Ruth can work in the vestry.

If you would like to make some input to these decisions, or join a small group to make the proposals, then please let me know and we can pull our ideas together and make the best decisions for all involved. We would like to have your input.

Many thanks.

UPTON AMBLERS

The day of our February Saturday walk started out very cold, but dry, and looked really promising. 18 of us went to Rhosesmor village, and Dave Oultram led us on an absolutely glorious route of approx. 6 miles. We had a steepish climb at first, but the winter sunshine was beautiful, and we thankfully had the chilly easterly wind at our backs. When we reached the trig point at the top of Halkyn Mountain, we found sheltered spots for our lunch stop, and then returned along the lower slopes. The ground underfoot had dried out really well, and we got back with no muddy boots to clean for once. Many thanks to Dave for a lovely day.

In March, the planned walk had been on the Wirral, starting from the promenade at West Kirby, but it was yet another very wet week, and the leader, Peter Milburn, decided to switch walks. He led a group of 14 on a circuit of Delamere Forest, where there would be more shelter from the weather. However they mostly stayed dry, and enjoyed their day. Maybe we can do the original planned route next year.

Our April walk leaders were Anne and Richard Sykes, and they took 11 of us to Whitchurch. We had a glorious sunny day at last, and although there were some muddy patches to negotiate, it really felt as though spring had arrived, especially with the wild flowers appearing in the hedges, and listening to the birds singing. We completed a 7 mile amble, through
